

Appl. No. 10/625,651
Amendment dated: March 5, 2004
Reply to OA of: December 30, 2003

REMARKS

Applicant acknowledges with appreciation the indication that claims 1-5 would be allowable if rewritten or amended to overcome the objection set forth in this Official Action. Applicant has amended claim 1 to remove the phrase "characterized in that" and the term "their", thereby obviating the rejection under 35 USC 112. Accordingly, since this is the only outstanding issue, it is most respectfully requested that this rejection withdrawn and the application be allowed.

Applicant notes that there has been no objection to the drawing which are believed to be in proper form. It would be appreciated that notice of allowability indicated that the drawings are acceptable.

In view of the above comments and further amendments to the claims, favorable reconsideration and allowance of all of the claims now present in the application are most respectfully requested.

Respectfully submitted,

BACON & THOMAS, PLLC
